Dear Anita,

Please would you ask the applicant to clarify the CTMP so that:-

* although it is stated that works will only take place between Monday and Friday inclusive, works also **not occur on any Public or Bank Holiday.**

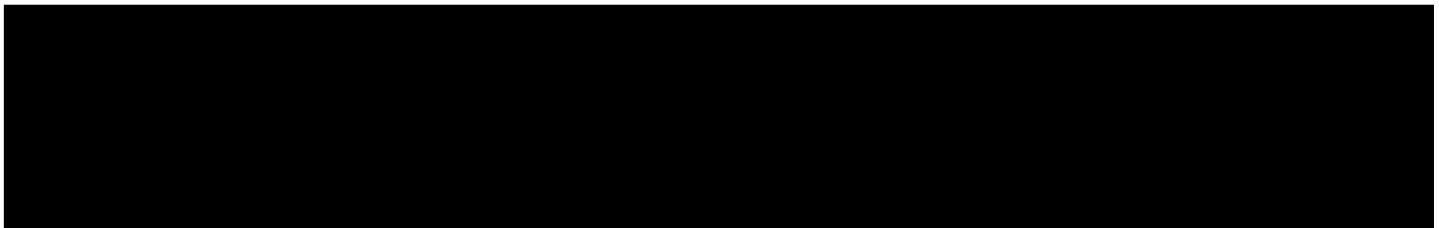

*deliveries/removal of materials to/from site will occur between 08:00 and 09:00hrs and 16:00 and 17:00hrs again this **should not occur on any week-end, Public or Bank Holiday.**

*if already selected, please state the **type** of piling to be applied and **specific** confirmation of choice of low noise/vibration plant for this operation

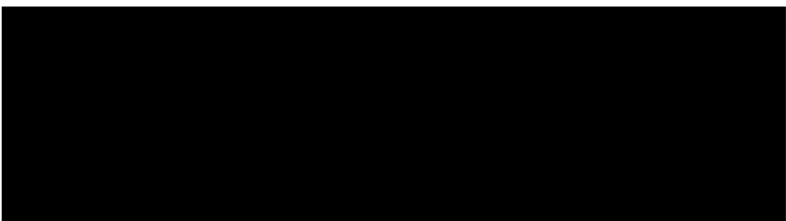

Once these matters are clarified then Environmental Health will have no objection to the application for Discharge of condition 6.

Kind regards

Carol

Please note my Work Days are Tuesday to Friday

Dear Jamie,

Thank you for the consultation response dated 3 March 2020 with regards to the discharge of condition 6 application at The Laurels, Dappers Lane (attached for ease).

I can confirm on behalf of the Applicant that they would be willing to adhere to the following in addition to the detail in the CTMP:

- Schedule site deliveries outside times of peak traffic volume. This should be 08.00-09.00 am and 16.00 to 17.00.
- Ensuring that deliveries to site are kept to their allocated time slots.
- Avoid contractor parking on Dappers Lane.
- All loaded vehicles leaving site must be sheeted.
- Ensure that there are designated walkways on and around site.

The CTMP is currently being amended to include the above for completeness, and will be sent on to you for your approval as soon as possible.

I trust that with confirmation of the above, you will now be in a position to recommend the discharge of condition 6 to the Planning Officer, Anita Gardner (cc'd in to this email).

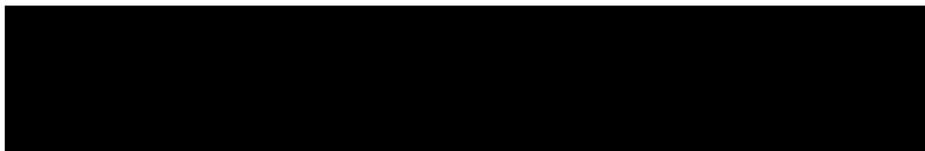

I look forward to hearing from you. If you have any queries or require further information then please do not hesitate to contact me on 01903 248777.
