Hi Charlie,

As you have answered no to both questions 4, this means questions 5-7 can be skipped. Please amend. Along with this, the windows are inconsistent between the existing/proposed first floor plans and the existing/proposed rear elevations. Please review and amend.

In addition to this, could you please resend the block and location plan?

Kind Regards

Hi Iqraa,

Submitted block + location plan as requested. I have attached the completed cil form and form 9: Residential Extension Claim Form.

Confirming Aggregated Description : "Erection of single storey side extension."

If there's any more amendments to be made, please let me know

Kind Regards

Charlie

Hi Charlie,

Thank you for your email.

However, this application is still invalid for all the reasons listed below:

Location Plan: Please submit a location plan at a scale of 1:1250 with a scale bar.

Block Plan: Please submit a block plan with dimensions from the proposed extension to all site boundaries at a scale of 1:500.

CIL Form: Please complete a CIL form. I have attached a blank copy above, please fill and return via email.

Plans: The windows are inconsistent between the existing/proposed first floor plans and the existing/proposed rear elevations. Please amend.

Description: Please confirm you agree with the amended description below

"Erection of single storey side extension."

Kind Regards

Hi Iqraa

Hope you are well, terribly sorry for the late reply I've been out of office all week. I have attached the amended plans containing the true property boundary. Hope this is the last piece of the puzzle.

Kind regards

Hi Charlie,

Thank you for providing the location and block plans. However, the red outline must be around the site boundary not the property itself. Please amend and submit all additional information to myself via email.

Hi Iqraa

Hope all is well,

As previously discussed I've had the two missing drawings made up but I'm having trouble attaching the docs to my application and was wondering if you'd be able to help.

Kind regards
