Dear Mrs Gardner

Thank you for taking time today to discuss my application. Sorry for so many question but its new territory for me!

As discussed on the telephone today please will you include the following materials to be used for the external 1st floor walls to my current application A/23/12/DOC for approval of details reserved by condition which I started last week, please see email below for details.

We are replacing the existing timber cladding featheredge boards on the house with new oak featheredge board cladding supplied by Oakmasters (www.oakmasters.co.uk) This product will be 3500mm long, 200mm wide depth 12mm to 25mm on the diagonal and this same material will be used on all the new build work, ensuring a complete match through out the property of Helios.

As I mentioned on the phone I also confirm that the whole roof of the existing property will be replaced with the same new tiles as to be used on the new build work as already applied for last week.

Please contact me if you have any queries on 07966 967669. Please also could you return this email so that I know you received it safely.

brgds
