To The Planning Dept
Arun District Council

Dear Sir/Madam

Concerning planning application A/23/15/005. out.

Having looked at the proposal, I feel the plans are flawed.

The roundabout is too close to the dual carriageway, making entering dangerous.
This is the only safe overtaking place for miles.
I am sure your planners will see the health and safety issues.

My interest in this proposal is as a resident of Brook Lane. The lane is frequently entered by large service vehicles. And the roundabout so close to the main road would be restrictive.

Yours Sincerely

[REDACTED]

Mr H Krall
