

**Planning Statement**  
for  
**Single Storey Rear Extension**  
at  
**2 Whitfield Close**  
**Angmering**

- The existing property is a semi-detached house.
- The proposed walls of the extension will be face brickwork to match the existing house.
- The roof of the extension will have a shallow pitch finished with tiles suitable for the pitch. The colour and style of tile will match the existing roof.
- The extension will project from the back of the original house by 1950mm.
- The eaves of the extension will be 2550mm from existing external ground level.
- The overall height will be 3500mm.
