Subject: Planning Objection: Ref. Application A/248/21/PL and Application A/256/21/RES

CAUTION: This email originated from outside of the organisation. You should take extra care when clicking links or opening attachments - if you are unsure the content is safe contact the IT Helpdesk before clicking or opening.

Good evening,

With reference to
Application A/256/21/RES:

This application shows a new plan for the access route with an ANPR camera and no physical barrier.

and

Application A/248/21/PL:

This application implies that the original submission for a mechanised barrier is unchanged. This is an unacceptable change to the plan, made without inclusive consultation.

I strongly object to this attempt by Rydon Homes to try to potentially avoid their original approved plan and introduce a cheaper option, which may well have a highly negative impact on residents, users and indeed the local habitat of Dappers Lane.

It is a surely a simply thing, in the context of the community, to install a tried and tested mechanical barrier. A small thing, even.

I trust you will include my objections when considering the application.

Regards,

Mrs Juliet Thomas
Beech View, Angmering.
