Dear David.

I am really concerned to hear Rydon homes are planning to place an ANPR camera instead of a barrier to enter Dappers Lane.

I walk Dappers Lane regularly and it's NOW a dangerous road as traffic has increased significantly. There's blatant disregard for the no entry sign at the North end of the road and this will only make this road more dangerous.

I think the word Lane is quite apt and that's what it is and cannot cope with significant traffic.

ANPR cameras won't reduce this and who would enforce and breaches?

I object to this change and would ask the developers put a barrier in place as per plans.

Thanks

Debbie Ricks
