Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Application No: A/248/21/PL
Site Address: Land North of Water Lane Angmering
Description of works: Variation of condition imposed under A/40/18/OUT relating to condition 4-approved plans.

Thank you for your internet representation made on 4th February 2022 which has been recorded as an objection with the comments as follows:

OWPC44032

I would like to object to this planning application for several reasons.

1. Destruction of more wildlife habitat eg. Hedgehogs, which are classified as vulnerable to extinction.
2. destruction of more pasture land and the impact on soil health, insect populations, wildlife.
3. Increase in flooding problems, which the village has always had problems with and is getting worse due to all the new developments
4. Noise levels.. I do not believe that noise levels can be adequately mitigated by siting of garages and gardens. Keeping noise reducing windows shut is not an appropriate solution either, and in any case the noise will travel to the whole of Angmering.

Your views as made above will be considered before the application is determined.
