Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Application No: A/248/21/PL
Site Address: Land North of Water Lane Angmering
Description of works: Variation of condition imposed under A/40/18/OUT relating to condition 4-approved plans.

Thank you for your internet representation made on 4th February 2022 which has been recorded as an objection with the comments as follows:

OWPC44057

Dear Sir,

It has come to our attention that the developers are trying to extend the built area of their site beyond that approved in the outline planning permission.

We oppose this and agree fully with the objection from Angmering Parish Council.

It is time to stop this wilful destruction of more wildlife habitat eg hedgehogs, which are classed as 'vulnerable to extinction'

Plus the destruction of more pasture land and the impact on soil health, insect populations, wildlife.

Finally there will be a huge risk of increased flooding which the village has always had problems with and is getting worse due to all the new developments. Finally noise pollution in this semi rural area for both residents and it's negative impact on the tranquility of the South Downs National park should not be accepted.

The site should not be over-developed. Build less houses !

I support the position of the Parish Council :
Angmering Parish Council objection

"the LPA considers that the proposed landscaped buffer along the northern boundary of the site with the A27; and the landscape buffer along the eastern boundary of the application site incorporating advanced nursery stock and semi-mature trees would both together mitigate the visual impact of the residential development and ensure that the current outline planning application accords with the NPPF, Policy HD5 (Built ARUN

DISTRICT COUNCIL A/248/21/PL 3 Form) and EH2 of the Neighbourhood Plan and Policy LAN DM1 and Policy H SP2 and Policy H SP2c (e) of the Local Plan". The Parish Council is concerned that the proposed reduction in the size of the landscape buffer will reduce this mitigation and result in a more significant impact on the countryside and the South Downs National Park such that the proposal would no longer comply with these policies. In addition, in reducing its size, the majority of this amenity feature will be close to the A27 with inherent safety and noise issues. Outline Planning Approval for this site was NOT for 525 houses but for UP TO that number, It would appear that the reason for a change to the approved parameter was that the previous plan did not work because the development was TOO CRAMPED. Rather than reducing the mitigating effect on the countryside and the South Downs National Park, and compromising the leisure enjoyment of future residents, the Angmering Parish Council consider that the approved Parameter Plan should be adhered to, and the number of properties REDUCED.

Your views as made above will be considered before the application is determined.

Please be aware that Planning Services operate an 'open file' policy and will publish your comments including your name and address on the website. Please make sure that you have only provided information that you are happy will be published in this way. If you have supplied information belonging to a third party, you must make sure you have their permission to do so. If you do not wish your comments to appear on the website or on the file you will need to confirm this by emailing to planning@arun.gov.uk and I will arrange for it to be destroyed although this means that the content will then be disregarded.

The majority of applications are determined under delegated powers by officers. Further information on the decision making process can be found on the website at :<https://www.arun.gov.uk/what-happens-next>.

Some applications will be determined by the Planning Committee, and I shall write and inform you of the date of the meeting and the procedures for public speaking if this is the case. However, if your representation has been received after the agenda for the meeting has been finalised and the notifications have been generated, you will not receive notification. In this case, you will need to track the progress of the application on the council's website <https://www.arun.gov.uk/planning-application-search>

Any comments that are received after the agenda has been finalised will be separately reported to the members of the Planning Committee.

Regardless of how the application is determined I will notify you of the decision.

Yours sincerely

Neil Crowther
Group Head of Planning

For details of how the Council will deal with your data please refer to our privacy notices on the website <https://www.arun.gov.uk/privacy-policy/>

If you have provided an email address, all correspondence including the decision notice will be sent by email. It is therefore important that you keep us informed if this changes during the course of this application.
