Good afternoon,

A/248/21/PL

The Oval site developers are trying to extend the built area of their site beyond that approved in the outline planning permission. Please see below reasons to object.

Reasons for objection

1. destruction of more wildlife habitat eg hedgehogs, which are classed as 'vulnerable to extinction'
2. destruction of more pasture land and the impact on soil health, insect populations, wildlife
3. increase in flooding problems which the village has always had problems with and is getting worse due to all the new developments
4. noise levels:

Kind wishes

Debbie boxall
