Town & Country Planning (Development Management Procedure) (England) Order 2015 - Article 5

Application No: A/253/21/OUT
Site Address: Land between 32 Downs Way and 2 Ambersham Crescent Angmering BN16 1AB

Thank you for your internet representation made on 17th January 2022 which has been recorded as an objection with the comments as follows:

OWPC43304

I've lived here for 23 years but never have I seen so much land being sold off around my area suddenly. The green spaces being one of the reasons I moved here since it is appealing and not so industrialised. It is also destroying the wildlife around here as I often see squirrels and birds living within these Greenland areas. Furthermore it is spoiling everybody's outlook considering it appears like the building will look modern, which will be out of place in comparison to the rest of the houses. To add on this area is built up enough as it is, the Greenland and bench adds a resting place for me considering I am disabled and a nicer entrance to Ambersham crescent. The driveway also appears to be directed into downs way which is exceptionally busy and commonly full of traffic, this will become even busier especially whilst being constructed with the builders and all their trucks and equipment on an already busy road. I hope you take this all into consideration and how everybody else in the neighbourhood feels too.

Your views as made above will be considered before the application is determined.
