Thank you for your internet representation made on 19th January 2022 which has been recorded as an objection with the comments as follows:

OWPC43540

Object this planning for a 2/3bedroom bungalow. The reason why is the bench would go the diagonal path way all have been used for many years the bench was put up for the elderly to use. Objections to people privacy which will affect immediate neighbours. Object to the design of -flat roof is out of keeping with the other bungalows ,/very tiny garden and the position of it Highway safety object to its right on the junction which will make it a nightmare it's hard to come out of you drive because of parked cars it going to make it dangerous.we had to wait a longtime for the yellow lines that why we had them. Object to it that has been a green space since the estate was built wildlife /trees removal of existing well established hedges and trees which will impact on birds and bees and hedgehogs on that plot Object to this being built. It's going to take a lovely green piece of land and take away pavement and Bench away from people who live here it will look very much out of character This road is a nightmare for parked cars and traffic it's a very dangerous corner so that why we had yellow lines . It s should not happen so that's why I object to it .
