Dear Sir / Ms,

I am writing to register my objection to the application for planning permission of a bungalow

on the corner of Downs Way and Ambersham Crescent. This building would be totally out of

keeping with the surrounding properties, and would take away one of the few green spaces in

the locality.

It would also be outside of the building lines, and would only add to restricting a drivers vision

of traffic joining the race track, that Downs Way has become.

This will be a blight on the area, and a bad swap for the green space that we can presently enjoy,

with a bench to sit and rest at on a nice summers day.

I am totally against any change to this corner plot.

Regards

Lester Griffiths
