Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town & Country Planning (Development Management Procedure) (England) Order 2015 - Article 5

Application No: A/253/21/OUT
Site Address: Land between 32 Downs Way and 2 Ambersham Crescent Angmering BN16 1AB
Description of works: Outline planning application with all matters reserved for the erection of 1 No bungalow dwelling with off street parking and private amenity space.

Thank you for your internet representation made on 21st January 2022 which has been recorded as an objection with the comments as follows:

OWPC43632

I object to the proposed building of a property on this land. It will mean losing the trees, disturbing nature and the very little green space we have near our homes. The proposed building looks nothing like the other properties and will not blend in. It will create a visibility hazard when driving and trying to pull out of Ambersham Crescent into Downs Way which is already being used as a cut through by drivers driving much too fast. We will lose the bench which many people use, especially the elderly when they are walking to the shop and post office etc. We've lived here 20 years and the bench is clearly visible from our windows and we see all the elderly people using the bench to take a rest. Taking away this bench could be the difference between a person being able to make a trip to the shop independently and therefore could take away some residents independence.

Your views as made above will be considered before the application is determined.
