

The image displays four distinct floor plan variants for a two-bedroom apartment, arranged horizontally. Each plan is labeled with 'Bed 1' and 'Bed 2' to indicate the placement of the beds. The layouts vary in the arrangement of the living area, kitchen, and bathroom, as well as the placement of furniture like sofas and beds. The plans are shown in a simplified, schematic style with lines representing walls, doors, and furniture.

Architectural elevation drawing of a two-story building facade. The drawing shows a symmetrical facade with a central entrance and four side entrances. The roof is gabled with two chimneys. Dimensions are indicated on the left: 8220 for the total height and 4950 for the main body height.

This is a black and white architectural elevation drawing of a house. The house features a steep gabled roof with a chimney on the left side. A small, rectangular window with a decorative frame is positioned on the right side of the front facade. The entire drawing is filled with a dense pattern of horizontal lines. The house is shown from a side-on perspective, resting on a flat ground line.

A line drawing of a house with a chimney and a window. The house has a gabled roof and a chimney on the left side. A single window is visible on the front facade. The drawing is simple and uses black lines on a white background.
