Subject: Objection to planning application A/256/21/RES

CAUTION: This email originated from outside of the organisation. You should take extra care when clicking links or opening attachments - if you are unsure the content is safe contact the IT Helpdesk before clicking or opening.

Dear Mr Easton,

I wish to register my objection to the application by Rydon Homes to replace the physical barrier, promised on their initial application, with an ANPR camera, on the access route from the Oval site development to Dappers Lane.

This obviously has major implications for public safety and a 'No Entry except for buses' sign will be ignored just as it is at the underpass at the northern end of Dappers Lane.

I think Rydon Homes should be required to continue with their original, approved, plan of a mechanised barrier. No doubt the ANPR is a cheaper option but it would have a highly negative impact on residents and users of Dappers Lane.

Thank you for your time in this matter.

Yours sincerely,

Lucy Todd
