Dear Mr easton

Re: Planning Application A/256/21/RES

I understand that developers Rydon Homes Ltd are applying to change the agreed access restrictions to their development off Dappers Lane. There is no reason to change the system previously agreed.

The proposed change does nothing to benefit local residents and will lead to greater use of Dappers Lane and therefore traffic congestion. The traffic situation is already deplorable with widespread abuse of the one way restriction at the underpass.

Please reject this amendment.

Yours sincerely

Jeremy Fox BEM
