Dear Sir/Madam,

The Town & Country Planning Act 1990 (as amended)
Town & country Planning (Development Management Procedure) (England) Order 2015 - Article 6

Application No: A/256/21/RES
Site Address: Land North of Water Lane Angmering
Description of works: Approval of reserved matters following outline consent A/40/18/OUT for the erection of 525 No residential dwellings with associated parking, landscape, play areas & public open space.

Thank you for your internet representation made on 31st January 2022 which has been recorded as an objection with the comments as follows:

OWPC43884

Our infrastructure cannot cope with yet more houses, doctors are already bursting at the seams and appointments are so hard to get, the availability of NHS dentists is already widely known to be non-existent so where do these potential new residents expect to register? Also yet more land is being lost impacting the wildlife. Enough houses are already being built in Angmering there is absolutely no requirement for more, even if this is being pushed through as 'affordable housing for local people' we all know that is not true and the housing will not be affordable for local people.

Your views as made above will be considered before the application is determined.
