Dear Sir/Madam,

The Town & Country Planning Act 1990 (as amended)
Town & country Planning (Development Management Procedure) (England) Order 2015 - Article 6

Application No: A/256/21/RES
Site Address: Land North of Water Lane Angmering
Description of works: Approval of reserved matters following outline consent A/40/18/OUT for the erection of 525 No residential dwellings with associated parking, landscape, play areas & public open space.

Thank you for your internet representation made on 1st February 2022 which has been recorded as an objection with the comments as follows:

OWPC43895

How much more societal disruption do you intend to cause?
Why do you consider Angmering such a soft target for all this development?
What is the cut-off point for ADC to say enough is enough?
What traffic management philosophies are you mindful of to say this is a going concern?
What would the national media say when they get to hear that all this is going on within a couple of miles of where Hubert Parry put the hymn Jerusalem together?
How many of the ADC planning people have visited the local area to assess impact of all this?
How many ADC planning people live here and therefore recognise the adverse societal impact such development has?
Why do ADC consider Angmering such a soft target for all this?
How big do the S.106 funds have to get to before projects supporting education and medical facilities get enacted?
How much money do ADC have to recompense house owners like me who's property is becoming adversely affected / damaged by increased traffic though the Angmering town centre'
