Dear Sir/Madam,

The Town & Country Planning Act 1990 (as amended)
Town & country Planning (Development Management Procedure) (England) Order 2015 - Article 6

Application No: A/256/21/RES
Site Address: Land North of Water Lane Angmering
Description of works: Approval of reserved matters following outline consent A/40/18/OUT for the erection of 525 No residential dwellings with associated parking, landscape, play areas & public open space.

Thank you for your internet representation made on 29th May 2022 which has been recorded as an objection with the comments as follows:

OWPC47819

I have already objected to this Application on flooding risk following my broader objection at outline stage (A/40/18/OUT). The closing date for representations on this application was 3rd February 2022 I am shocked that, at such a late stage, 266 further documents have been posted on your website on 25th and 27th May 2022. Surely, with such significant further documentation, you will require the applicant to re-advertise this application to bring these changes to wider notice. I note there are also a number of matters being dealt with by Discharge of Condition. One is a very significant change from the outline proposal of a one way lane from Dappers Lane for bus access with access including a 'mechanism for control of bus gate' at the western end which has become an ANPR Camera in the DOC. This is all very confusing for residents.

Your views as made above will be considered before the application is determined.

Please be aware that Planning Services operate an 'open file' policy and will publish your comments including your name and address on the website. Please make sure that you have only provided information that you are happy will be published in this way. If you have supplied information belonging to a third party, you must make sure you have their permission to do so. If you do not wish your comments to appear on the website or on the file you will need to confirm this by emailing to planning@arun.gov.uk and I will arrange for it to be destroyed although this means that the content will then be disregarded.

The majority of applications are determined under delegated powers by officers. Further information on the decision making process can be found on the website at [:https://www.arun.gov.uk/what-happens-next](https://www.arun.gov.uk/what-happens-next).

Some applications will be determined by the Planning Committee, and I shall write and inform you of the date of the meeting and the procedures for public speaking if this is the case. However, if your representation has been received after the agenda for the meeting has been finalised and the notifications have been generated, you will not receive notification. In this case, you will need to track the progress of the application on the council's website <https://www.arun.gov.uk/planning-application-search>

Any comments that are received after the agenda has been finalised will be separately reported to the members of the Planning Committee.

Regardless of how the application is determined I will notify you of the decision.

Yours sincerely

Neil Crowther
Group Head of Planning
