Hi James,

I haven't received any additional information following your e-mail below and you were going to contact Urban Forest Consultancy and get back to me. Given that the current EOT runs out on Friday we will need to agree another, shall we say until 21-05-2020? That will give time for receipt, re-consultation with our Drainage Engineers and response.

Regards

Anita Gardner

Hi Anita,

The first document in these attachments labelled as 'polystorm technical guide' is unable to be indexed on c-cubes in the current format. Please would you be able to ask to agent to send this document in a different format so that it can be uploaded onto the website?

Thanks

Zoe
