Essential maintenance is being carried out to the planning, building control and local land charges database during the week commencing 12 April 2021.

During this time there will be no public or staff access to any records held within this database, and it will not be possible to carry out any of the following tasks via the Arun website:

- Research planning and building control history
- View any planning applications, plans, agreements, tree preservation orders or competent persons data
- Submit building control applications
- Submit planning application comments
- Report any planning compliance issues

The publicity and consultation period for all planning applications that fall over this week will be extended by a further week to ensure no one is disadvantaged.

All other aspects of planning, building control and local land charges will be limited during this week and you are strongly advised to contact the individual departments before 12 April 2021 for specific restrictions during this time.

The Malt House,
Weavers Hill
Angmering.

Dear Mr. Eastham

Further to my e-mail yesterday re the above captioned Planning Applications, I attach two photos of traffic in Weavers Hill, taken at 14.09 this afternoon.

This is a typical instance, showing the volume of traffic using the lane. It is too narrow so the bus has to stop. Note the pedestrian - no pavement.

Just around the blind bend, (past the pedestrian) is the proposed entrance to the Barrett Homes Sales Office and Car Park.

My apologies for the quality of photo, but the moment had to be captured.

Yours sincerely

Michael Coates.
