

Planning Statement
for
Single Storey Rear Extension & Single Storey Side Extension
at
4 Oakwood Drive
Angmering

- The existing property is a detached two storey house.
- The proposed materials will match the existing house.
- The extension will project from the back of the original house by 3550mm.
- The eaves of the new roofs will be 2500mm from external ground level
- The overall height (including rooflights) will not exceed 4m.
- The side extension width (3320mm) is less than half the width of the existing property (width of existing house is 9674mm).
