Dear Nicola,

Further to your letter of today's date (attached) I enclose an electronic copy of the location plan as requested and as forms part of the original approval. If required, please also use this for the other VoC Application for variation of condition 2 submitted on the same day, i.e. for both

PP-10398571v1
PP-10449342v1

The location plan has also now been appended to both applications on the planning portal

I trust this information suffices to facilitate validation in respect of both applications.

Regards
