Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Application No: A/266/21/PL
Site Address: Crete House The Beeches Dappers Lane Angmering BN16 4EN
Description of works: 2 No. 2 storey extensions, replace existing bay window with bi-fold doors on the existing dwelling and the construction of 2 No. 5 bed new dwellings. This application is in CIL Zone 2 and is CIL liable as new dwellings.

Thank you for your internet representation made on 15th February 2022 which has been recorded as an objection with the comments as follows:

OWPC44419

- 1) The severe harm to the residential amenity of neighbouring properties through an unacceptable increase in overlooking, overbearing buildings. With planned windows of the new properties looking directly into the privacy of neighbouring properties.
- 2) The adverse impact on the character and appearance of the area.
- 3) The impact on the protected oak tree and biodiversity interests at the site.
- 4) The adverse impact on highway and pedestrian safety, as the new property has only one entry / exit point for up to 8 cars to use. This entry point is too close to the existing entry / exit point to the Beeches and to the industrial estate.
There is a high potential for accidents due to the potential of crossing traffic and "blind" entry into Dappers Lane, which has high pedestrian volume but no safe footpath.
- 5) The effect on surface water and foul drainage, as the plan has no provision for either sewage or drainage.
- 6) This development was not in the master plan for Angmering. It is time to stop further development.

Your views as made above will be considered before the application is determined.
