Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Application No: A/266/21/PL
Site Address: Crete House The Beeches Dappers Lane Angmering BN16 4EN
Description of works: 2 No. 2 storey extensions, replace existing bay window with bi-fold doors on the existing dwelling and the construction of 2 No. 5 bed new dwellings. This application is in CIL Zone 2 and is CIL liable as new dwellings.

Thank you for your internet representation made on 18th February 2022 which has been recorded as an objection with the comments as follows:

OWPC44523

My objection is based on information and experience well known to the Planning Department of ADC, all developments in Dappers Lane have and are having serious problems with water drainage and sewerage, after over 2 years issues at G D Homes at Merry England are still unresolved and Persimmons have had a Stop Notice issued on related matters, Souther Water are experiencing difficulties over the supply of fresh water and the capacity of the sewerage systems to cope. This application, and any subsequent application, on this site should be rejected due to its effect on an already overloaded Public Service.

I also object on the grounds that the area is not sufficient for 2 x 5 bedroom detached houses, that the development infringes on the surrounding properties, that insufficient detail is provided on the Riparian water way.

I fully support the objections raised by LRJ Planning in their letter on behalf of Mr & Mrs Dickens
