Dear Ms Gardner,

I wish to lodge my objection to the above planning application.

It appears that greedy developers are attempting to build on every scrap of land on Dappers Lane. What was once a beautiful country lane is being systematically ruined with no consideration to the negative impact on wildlife let alone local residents.

More houses equals more cars, more pollution and more congestion and it's not like the area needs any more large family homes at exorbitant prices.

Yours sincerely,

Rachel Jukes
