Dear Anita,

Re: Crete House, The Beeches  
Ref: A/266/21/PL

We note that this planning application has received a number of objections from local residents. Please find attached a document which identifies the main concerns raised in the objections and seeks to respond to/alleviate these concerns.

Please also find attached a revised set of drawings which show the reduced VCO's as per highways comments.

As per my email on Monday, we are hoping to issue you the Habitats Survey by 25<sup>th</sup> March. Please could you confirm if we can agree an extension of time to allow for this.

I would be very grateful if you could please provide us with an update on the application. Please let me know if you have any questions or if you need any further information.

I look forward to hearing from you. Many thanks.

Kind regards,

Neeltje Chappell
