Hi Finlay,
Extension of time till the 22nd June is fine.
Option 1 is the choice.
Best wishes,
Tony.

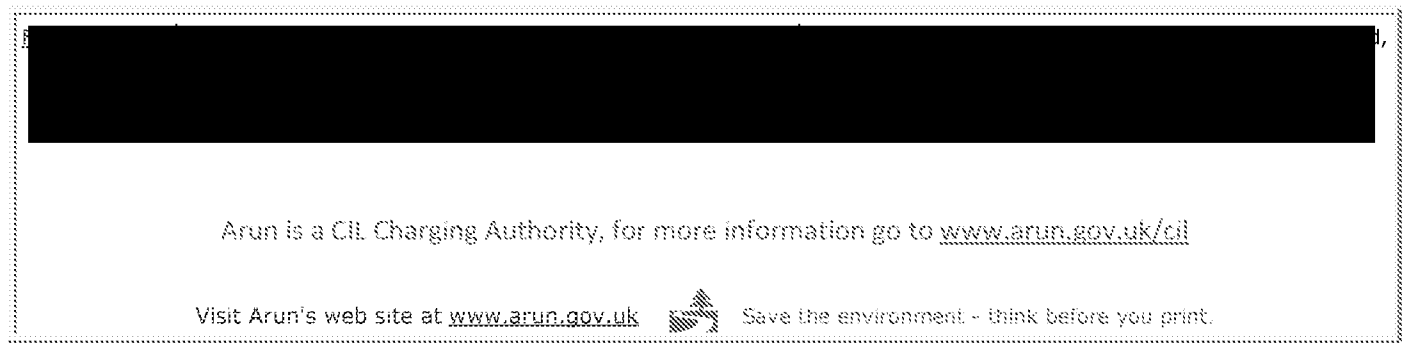

Dear Mr Standing,

I am emailing to request a further EoT until Monday (22/06/2020) to allow for the sign off process. I apologise for the delay with this application. I have put the application forward with the recommendation to be approved subject to conditions having gone with option 1 of the new plans.

I look forward to your response and hope you are keeping well in this time.

Kind regards

Finlay

Good morning,

Thank you for your quick response. Would it be possible to see plans for both so that we can compare?

Good morning Finlay,

Further to your e mail, we have 2 options:-

1. Reduce the pitch of the extension roof so that it is 150mm below the window.
2. Keep the pitch and extend the short section of flat roof for the full width of the extension, so that it is 150mm below the window .

Please let me know which you prefer and I will submit the revised plan to you.

An early reply would be appreciated.

Keep safe,

Tony.

Dear Mr Standing,

I hope you are keeping well.

Would it be possible to have the roof of the extension straightened out so that it does not dip around the window?
If so can you send me a new plan illustrating this so that I can get this application signed off as soon as possible.

Kind regards

Finlay Gardner
