Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Application No: A/26/21/RES
Site Address: Land west of Brook Lane and South of A259 Angmering BN16 3JL
Description of works: Approval of reserved matters following outline consent A/44/17/OUT for appearance, landscaping, layout & scale for the demolition of existing buildings on site & erection of a mixed use development comprising of 90 No. residential dwellings & a care home & ancillary facilities including railway crossing together with associated access, car parking & landscaping. This application also lies within the parishes of Rustington & Littlehampton.

Thank you for your internet representation made on 12th March 2021 which has been recorded as an objection with the comments as follows:

OWPC34462

I would like to object to this application in the strongest possible terms. The A259 is a busy and dangerous road, and gaining safe entry and exit to this site will be difficult. Many residents are likely to use the crossing into Penfold lane instead.

Penfold lane is not fit for this level of access, and will be detrimental to the houses that back onto it. It is a quiet and unlit mud track. It does not have, nor want additional footfall. It has no streetlighting. Currently there is no need for this. If the footfall was increased, then this would become a necessity for the safety of those using it, however would be detrimental to those living adjacent to Penfold Lane.

Additional footfall would also increase the likelihood of crime, litter and anti-social behaviour and would negatively affect the lives of those living near Penfold lane.

Your views as made above will be considered before the application is determined.

Please be aware that Planning Services operate an 'open file' policy and will publish your comments including your name and address on the website. Please make sure that you have only provided information that you are happy will be published in this way. Some applications will be determined by the Development Control Committee, and I shall write and inform you of the date of the meeting and the procedures for public speaking if this is the case. However, if your representation has been received after the agenda for the meeting has been finalised and the notifications have been generated, you will not receive notification. In this case, you will need to track the progress of the application on the council's website <https://www.arun.gov.uk/weekly-lists>

Any comments that are received after the agenda has been finalised will be separately reported to the members of the Development Control Committee.

Regardless of how the application is determined I will notify you of the decision.

Yours sincerely

Neil Crowther
