Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Application No: A/26/21/RES
Site Address: Land west of Brook Lane and South of A259 Angmering BN16 3JL
Description of works: Approval of reserved matters following outline consent A/44/17/OUT for appearance, landscaping, layout & scale for the demolition of existing buildings on site & erection of a mixed use development comprising of 90 No. residential dwellings & a care home & ancillary facilities including railway crossing together with associated access, car parking & landscaping. This application also lies within the parishes of Rustington & Littlehampton.

Thank you for your internet representation made on 14th March 2021 which has been recorded as an objection with the comments as follows:

OWPC34479

I register an objection on the following grounds. First, no ecology mitigation has been submitted - the site is teeming with wildlife which will be displaced by this development. Second, still no details have been submitted of the required bridge over the railway yet other reserved matters have been submitted. No further reserved matters applications should be determined until the bridge plans are submitted and approved. Third, the Design and Access statement is complete nonsense when it talks about pedestrian accessibility. I walked Penfold Lane on Sunday 14 March and it was impassable without getting soaked in the mud and flooding. The sum secured in the S106 agreement of £28,000 is wholly inadequate to barely touch the surface of bringing that footpath up to a required standard for anybody to use it. This therefore renders the sustainability of site wholly inadequate and it is no longer suitable for a development which will be wholly dependent on use of a car to enter and exit.

Your views as made above will be considered before the application is determined.

In this case, you will need to track the progress of the application on the council's website <https://www.arun.gov.uk/weekly-lists>

Any comments that are received after the agenda has been finalised will be separately reported to the members of the Development Control Committee.
