Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Application No: A/26/21/RES
Site Address: Land west of Brook Lane and South of A259 Angmering BN16 3JL
Description of works: Approval of reserved matters following outline consent A/44/17/OUT for appearance, landscaping, layout & scale for the demolition of existing buildings on site & erection of a mixed use development comprising of 90 No. residential dwellings & a care home & ancillary facilities including railway crossing together with associated access, car parking & landscaping. This application also lies within the parishes of Rustington & Littlehampton.

Thank you for your internet representation made on 15th March 2021 which has been recorded as an objection with the comments as follows:

OWPC34500

This is an objection on behalf of Sustrans and the Bognor Regis Cycle Forum. There seems to be no attempt to provide any active travel connections. Whilst the developers state that cycle parking is to be provided, for the houses, these are all to the rear of the properties. There is no attempt to provide safe cycling routes, nor any connection to the wider cycle network such as National Cycle Route 2. The pedestrian bridge over the railway line should be amended to be a shared use bridge, to then allow cyclists safe connections to the south, and avoid a large detour using the spine road.

Your views as made above will be considered before the application is determined.

However, if your representation has been received after the agenda for the meeting has been finalised and the notifications have been generated, you will not receive notification. In this case, you will need to track the progress of the application on the council's website <https://www.arun.gov.uk/weekly-lists>

Any comments that are received after the agenda has been finalised will be separately reported to the members of the Development Control Committee.

Regardless of how the application is determined I will notify you of the decision.
