Hi Anita,

I trust you are well.

Following your email to Alex requesting the revised submission material by email, I have spoken with a member of your team, who confirmed the maximum file size limit for emails is 25MB. As such, this will be email 1 of 8 which includes the revised submission material.

We attached the Technical Note prepared by Mayer Brown dated 16 June.

We also attach an updated covering letter which reflects the correct list of updated plans and would be grateful if the previous one could be superseded by the attached.

If an email has not been received please let me know in the first instance.

Kind regards,

Charlie Merry
