Hi Alex,

I am still awaiting your agreement to the EOT requested earlier this week to cover Committee on Wednesday and would appreciate your agreement by return.

I have just received the e-mails from Aarti enclosing 30 plan revisions. We cannot accept this many amendments to the plans this close to Committee, particularly since they will require re-consultation which can't be accommodated prior to Committee. The application was pulled from Committee last time to allow for plan revisions which have already been provided. Any approval would be subject to conditions which include submission of bollard details.

If you wish the plans to be considered I suggest you either withdraw the application and re-submit or await the decision and deal with the changes you are seeking possibly via DOC/MMA/NMA processes.

Regards

Anita

Hi Anita,

Thanks for your email – I will forward this to the design team preparing the plans, and also the applicant for confirmation on the EOT.

Kind regards,

Hi Alex,

The application is due to be considered at DC Committee next Wednesday so ideally I will need receipt of the plans by the end of this week to ensure they can be referred to in any report update. Please can you also agree to an EOT on the application until 29-10-2021 to cover Committee.

Thanks

Anita

Hi Anita,

Thanks for your email.

The team is currently working on final tweaks to this layout and a small number of other plans following further discussions with ourselves and West Sussex PROW and highways teams.

This will be shared as soon as possible.

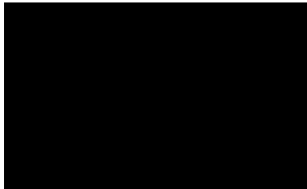

Kind regards,

Alex

Hi Alex,

Please can you confirm ASAP if site layout drawing SRARUST(BROOKLYN).0/02 REVA is a substitute for drawing SRARUST(BROOKLN).1/02 Rev A Proposed Site Layout or an additional plan?

We don't seem to have an updated drawing index sheet but it may have been lost internally when the e-mails were forwarded.

Thanks

Anita
