Application No: A/26/21/RES
Site Address: Land west of Brook Lane and South of A259 Angmering BN16 3JL
Description of works: Approval of reserved matters following outline consent A/44/17/OUT for appearance, landscaping, layout & scale for the demolition of existing buildings on site & erection of a mixed use development comprising of 90 No. residential dwellings & a care home & ancillary facilities including railway crossing together with associated access, car parking & landscaping. This application also lies within the parishes of Rustington & Littlehampton.

Thank you for your internet representation made on 10th November 2021 which has been recorded as an objection with the comments as follows:

OWPC41787

The Town Council's Planning and Transportation Committee this matter at its meeting held on Monday 8th November 2021 and object to the proposals. Members still had significant reservations about the safety of the access arrangements to and from the new development which relied upon the A259 and would be via a shared arrangement with another development proposed to the east. It was also observed that it was unclear whether the further comments from the District Council Drainage Engineers had been satisfactorily resolved. Considering the recent weather and localised flooding that had resulted and the fact that the site was low-lying in places, Members questioned if the drainage arrangements were sufficient. Overall, the Advisory Group remained concerned about the impact of the development in terms of highways safety and drainage and therefore RESOLVED to maintain the Town Council's objection.
