Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)

Town & Country Planning (Development Management Procedure) (England) Order 2015 - Article 5

Application No: A/270/21/OUT

Site Address: Land off Arundel Road Angmering

Description of works: Hybrid application comprising:
a) Demolition of existing buildings;
b) Full planning application for the development of 160 No. dwellings with open space, landscaping and sustainable drainage systems (SuDS), and two vehicular access points from Arundel Road;
c) Outline application with all matters reserved except for up to 1,393 square metres of Class E floor-space with associated parking provision and 2.1 hectares of sports pitch land.

This site is a Departure from the Development Plan

Thank you for your internet representation made on 21st April 2022 which has been recorded as an objection with the comments as follows:

OWPC46882

Whilst Angmering Parish Council supports development on this site in principle, as it secures the provision of additional land for the construction of the much needed sports hub, our objections remain the same.

- The proposal to change the use class of the commercial element of the site will displace existing B2 businesses. This would conflict with the wishes of the Development Control Committee to retain the existing employment opportunities expressed and voted on at their meeting on 17 March 2020. It could also result in inappropriate retail and food and drink uses on the site which would detract from the vitality of the village centre contrary to Angmering Neighbourhood Plan policies ER1 and ER2.

- The proposed layout of the residential element of the site is cramped, dominated by on street and front of plot car parking and has insufficient space for the street trees shown on the plans or any other green infrastructure along the streets. As a result the scheme fails to provide high quality design reflecting local distinctiveness as required by Angmering Neighbourhood Plan policies HD5 and HD6.

- APC concur with the holding objection of the ADC Drainage Engineer
- The land shown to be gifted for the planned Sports Hub differs from that shown in the previous Outline Application. Assurance of ADC Officers will be required that the area now shown is suitable and adequate for that purpose.

For the full original objection - please see the ADC portal under "Consultation"
