Morning Katie

Many thanks for your e-mail and we appreciate you pushing forward the application.

We are conscious that there were holding objections from drainage and landscape, alongside an objection from the Parish Council on the original submission. Are you able to confirm you are re-consulting on these matters?

In addition, are you able to advise whether with the current timescales that we can meet the end of September planning committee, if the Parish Council maintains their objection.

I look forward to hearing from you.

Many thanks

Hannah
