Subject: A/271/21/T

Planning reference: **A/271/21/T**

I have undertaken a desktop review of Tree Preservation Orders which may affect this plot. My understanding is that only TPO/A/2/61 could apply.

I am confident that the supporting Schedule and Plan does not capture the trees subject of this application. Furthermore I do not believe any are of sufficient public amenity value to justify the making of an individual Order to control their future management.

I conclude our consent to carry out the proposed work is not required.

I recommend the applicant is advised to withdraw their application and proceed without further recourse to this Authority.
