Dear Anita,

Thank you for the initial feedback on the plans, we do agree to the extension of time to enable consideration of the planning statement, which informs and supports the maintaining of a 2-dwellings proposal on this site.

The revised plans remain for 2 dwellings but the development has a smaller area resulting in a reduced impact and massing on the site. (148m² down to 126m²).

We shall make contact in a week to seek further comment on the documentation submitted.

Kind regards,

Charlotte Smith

Dear Charlotte,

Please can you agree an EOT by return until 13-07-2018 to allow for further negotiation. I can't see much difference in the plans and unless more significant changes are made the application is unlikely to be supported.

Regards

Anita
