Dear Sir/Madam

Having come to view a house in Angmering Village, I was very disappointed to discover that the green space which characterises the approach to the village from the bypass is to be built on!

Why are you allowing the village to be spoilt by this overdevelopment? I was put off buying further north into the village too, because of development that seems to involve a removal of woodland!

Will you at least be ensuring that the wildlife settled here is considered please? The wild areas must have hedgehogs (a threatened species) that won't stand a chance against strimmers and building machinery.

Regards
M Sidney
