Thank you for your internet comments made on 23rd May 2012 and recorded as follows:

*DECISION: Objection on the grounds of insufficient information with the application and the absence of any professional arboreal report to justify the proposed work to any of the trees, particularly when a Tree Preservation Order is in place. We also request that Arun District Council's Tree Officer comments and liaises with the applicant and his report is made available to this Parish Council.*

If you do not wish your comments to appear on the file please confirm this in writing and I will arrange for it to be destroyed although this means that its contents will then be disregarded.

Yours faithfully
