

Hi Amber

Following an earlier request from the applicant Mr N Waters, I undertook a pre-application site inspection with him on March 8th 2018.

All tree work now proposed, concurs with the outcomes of our discussion and is well-intentioned, reasonable and would not result in a diminution of character to the surrounding area.

I informed the applicant that I would not recommend the making of an Order in response to the above proposals. As the 6week notice period has now expired, I recommend we inform Mr Waters that he can proceed on the usual terms.

Kind regards,

Mark
