Dear Mr Eastham

Town and Country Planning Act 1990 (as amended)
Application for Details Reserved by Condition attached to Planning Approval: A/76/20/PL
Condition 3

The following information is submitted to support this application:

- Completed application form;
- A planning fee [REDACTED] provided by the planning portal)
- A Materials Schedule

Condition 3 requires a schedule of materials and finished to be used for external walls and roofs to be submitted, and the enclosed schedule seeks to provide this. Please note an additional roof tile type has been added to the schedule, as a red tile did not look right with the Old Westmill brick types. As such a slate coloured roof tile has been cited, which now provides a pleasing and complementary palette.

I hope the enclosed documentation is sufficient to validate and approve this planning condition. However, if you have any queries or require any further information please do not hesitate to contact me on [REDACTED]. I look forward to receiving receipt of validation in due course.

Yours Sincerely,

Aimee Harris
