Dear Paul,

Following receipt of the consultation response from County Highways regarding compliance with the submitted CMP I would be grateful if you could amend the CMP to include the following:

- Schedule site deliveries outside times of peak traffic volume. This should be 08.00-09.00 am and 16.00 to 17.00.
- Ensuring that deliveries to site are kept to their allocated time slots.
- Avoid contractor parking in residential streets surrounding the site.
- All loaded vehicles leaving site must be sheeted.
- Ensure that there are designated walkways on and around site.

I would appreciate receipt within the next 10 days . Please note that this response does not include comments of the environmental health officer which are still awaited.

Regards

Anita Gardner
