FTAO Ms. Nicola Moore

Dear Ms. Moore,

Further to the letter I received today from Mr. Crowther here is the additional information requested therein:

The Eucalyptus tree is approximately 8m high. The crown is to be thinned 30% and the height reduced to 6m

The Acacia tree is approximately 6m high. The crown is to be thinned 30% and the height reduced to 4m.

I hope you will find this to be acceptable.

Best Regards
