Hi Karen,

Please could you update the records on Ocella.

Thanks,

Hi Michael,

We can agree an EOT until 1st August (a fortnight today) on the basis that we will have had a meeting with you and Neil within this period. We can discuss the approach to determination following the meeting.

I'll come back to you shortly on which date would best suit us for our meeting.

Please could you come back to me on the design officer's comments?

Kind Regards

Michael,

I've just tried to call you without luck.

Following our discussion just now, please could you confirm that Neil will actually meet with us? We had discussions about meeting dates but we'd like to know whether Neil is actually willing to meet. Please can you discuss this with him and confirm?

Should Neil be willing to meet we'd be able to agree and EOT until the meeting date (or day after) and then depending on the outcomes of the meeting we'd consider whether the EOT could be further extended.

On a separate matter, please could you send me the design officer's comments on the scheme as we have not had sight of these.

I look forward to hearing from you.

Kind Regards
