Good afternoon Michael,

I am the new Clerk for the Housing, Transport and Planning (HTP) Committee. We met last night and discussed the amended plans for **A/38/18/RES** – to consider the initial plans and amendments to landscape plan for Manor Nursery, High Street, Angmering, BN16 4AW. We have **no comment** on this amendment.

As the Clerk for this Committee I would appreciate it if you could copy me into any communications on going.

Subject: Re-notification regarding amended layout plan for A/38/18/RES - Manor Nursery site, High Street, Angmering

Dear Katie,

This is a notification pursuant to paragraph 8 (1) or 8 A (1B) of Schedule 1 to the Town and Country Planning Act 1990 (local planning authorities: distribution of functions) which requires the Parish to notify the local planning authority whether they propose to make any representations about the manner in which the application should be determined and must make any representations to the local planning authority within 21 days of the notification to them of the application.

Please could you provide a response either: informing Arun District Council that the Parish do not propose to make any representations or send in a representation within the **21 day period** (by the 19th November 2018).

If no representation is received within the 21 day period, the Council will then proceed to determine the application.

The amendment to the layout plan is a very minor change moving sheds from over the site of subterranean soakaway crates in rear gardens on the layout plan being considered under application reference A/38/18/RES at the Manor Nursery site.

Kind regards

Michael
