Dear Andrew

As you may know, the application for the revised design mobile home has been submitted. On checking, I note that the address on the front cover of document number 16, the submitted Addendum, is not quite correct and I apologise for that.

Please would you be able to arrange for it be replaced with the attached addendum amended?

Also, I notice the CIL questions form published under the online public access facility, is 'blank', ie there are no details. But the one submitted via the Planning Portal, copy attached, was completed. So I am not sure why it is appearing as a 'blank' form (not that CIL is relevant to a mobile home)?

Please contact me if there is anything else you need.

Regards

Kim Blunt
