

Supplementary plans pls upload

Dear Andrew

The consultation period on this application for minor material amendments to the approved scheme has now expired and that the permission is due to be determined by 9 June.

We note the Landscape Officer's consultation comments, which confirms that she has no objections to the proposals, but asks for the approved Landscape drawing to be updated to reflect the latest changes and I am therefore submitting drawing 2903/1 Rev G, which has been updated to take into account the proposed changes.

Best regards

Chris Frost, MRTPI
