Dear Mrs Herr,

Planning (Listed Buildings and Conservation Areas) Act 1990 (as amended)

Listed Building Consent for Alterations, Extension or Demolition of a Listed Building

Development: The proposal involves the installation of a single commemorative blue plaque on the external Vestry wall of St Margaret's Church, Angmering, a Grade II* listed building. No alterations, extensions, or demolition of any part of the listed building are proposed.
The works consist solely of:
Fixing a 14-inch cast aluminium blue plaque to the Vestry's exterior wall, using two hidden rear resin anchors positioned within existing mortar joints wherever possible to avoid intervention with historic masonry (as specified by the plaque manufacturer).
The plaque is fully reversible, and removal would leave minimal trace, ensuring no permanent change to the historic fabric.
No architectural features, stonework, or historic material will be damaged, obscured, removed, or altered.
The installation is of modest scale, has no structural impact, and does not require any demolition, extension, or alteration beyond the insertion of two small fixings.
This is therefore a non-invasive commemorative installation, designed to be visually sympathetic, reversible, and fully respectful of the listed status of St Margaret's Church.

Location: St Margarets Church Arundel Road Angmering BN16 4JS
